### **BANK STREET WRITER™**

*by the Bank Street College of Education, Franklin E. Smith and Intentional Educations, Inc.*

The most acclaimed and widely-used word processor for the home is simple enough for children, yet the **BANK STREET WRITER** is so sophisticated enough to meet most adult writing needs. The **BANK STREET WRITER** is packed with features usually found only in far more expensive programs.

- ▶ Straightforward prompts and commands.
- ▶ On-disk tutorial.
- ▶ Add, move, insert or delete single words, lines or entire blocks of text.
- ▶ Easy text formatting for printing.
- ▶ Expanded printer commands.
- ▶ Back-up disk included in package.

### **BANK STREET FILER™**

*Developed by the Bank Street College of Education and Franklin E. Smith*

The **BANK STREET FILER** is a remarkably easy-to-use data management and report generating program for small businesses, schools and the home. No matter what the user's level of computer experience, it can be learned in minutes. With the **BANK STREET FILER**, users can collect, explore and manipulate information, and print out customized reports, in a natural and flexible way. The structure of the stored information can be changed easily, instantly and at any time without losing or re-entering data.

Best of all, the **BANK STREET FILER** is compatible with Brøderbund's other **BANK STREET** products, so reports created by the **BANK STREET FILER** can be automatically inserted into **BANK STREET WRITER** files.

- ▶ On-disk tutorial.
- ▶ Use simple English sentences to select and sort data with ease.
- ▶ Print customized reports with ease.
- ▶ On-screen field positioning.
- ▶ "Comment" fields for freeform text.
- ▶ Powerful "browse" function.

## Dear Customer,

At Bröderbund, we take software to the limit. We start with a great idea . . . and then make it easier, more powerful, more useful, more fun. We unlock new worlds of productivity, entertainment and creativity for you and your computer.

That philosophy helped make THE PRINT SHOP a software phenomenon. You can make great-looking greeting cards, signs, letterhead, flyers and banners with just a few easy keystrokes (page 2). PRINT SHOP owners: be sure to see page 3 for the newest PRINT SHOP GRAPHICS LIBRARY disks.

Looking for adventure? Transport yourself to medieval Japan for the ultimate karate challenge: KARATEKA (page 8). Beautiful animation and realistic karate action make this game a real kick.

And if you're looking for real power, check out our BANK STREET productivity software — BANK STREET SPELLER, BANK STREET FILER AND BANK STREET MAILER, all with the same powerful simplicity that made BANK STREET WRITER the number one word processing product for the home (pages 6-7).
